NO-HAZ

Contact: Sharon McKay 248-693-2382

NO-HAZ is a program that is conducted with other communities three times per year for the collection of hazardous household waste and electronics. Volunteers are needed to collect admission fees, forms, and to direct traffic - they will not be handling and hazardous waste. Volunteers are provided with t-shirts, and enjoy donuts, coffee, bagels and a delicious lunch! Residents can visit www.nohaz.com or phone 248-858-5656 for additional information about this county program.

CLEAN AND GREEN SCENE

Contact: Maureen Thalmann mthalmann@oaklandtownship.org

Clean & Green Scene is the annual spring township-wide beautification clean-up where volunteers rid the township roadsides of accumulated winter debris. Volunteers make a big impact with this project and all are invited. This is a great opportunity to meet with your neighbors and enjoy the day doing something that makes a big difference in your community. Volunteers receive a Clean Scene commemorative T-shirt and are well fed.

GOODISON GOOD TYME

Contact: Parks & Recreation Department at 248-651-7810

“Goodison Good Tyme” is a wonderful fall family event where volunteers can pitch in by assisting at the Children’s Activities Table. If you aren’t artistic, you can lend a hand with the Pavilion picnic area. Volunteer photographers are welcome to capture all the fun on film or perhaps you would like to help as a photographer assistant.

There is always something to do in Oakland Township, so join in today!
