

# Invasive Plants

## Why should I care?

To protect your home's value and the environment around you!

Please join us for this **FREE** event:

Wednesday July 8<sup>th</sup> at 7:00 pm at:

Executive Office Building  
East Oakland Conference Room  
2100 Pontiac Lake Road  
Building 41 West  
Waterford, MI 48328

Contact Emily Duthinh with questions:  
emduthinh@yahoo.com or (248) 891-5291

Come learn what invasive plants are and how they harm our property values, our safety, and our community.

This FREE presentation will also explain how invasive plants should be controlled, who can do it, and how we can all work together to reap the benefits of having a proactive plan.

Presented by:

**CISMA**

Oakland County Cooperative Invasive  
Species Management Area
