

## POSITION ANNOUNCEMENT Certified Archery Instructors

### Oakland Township Parks and Recreation – Marsh View Archery Range

**Position:** Level 2 USA Certified Archery Instructor(s)

**Position Description:** Oakland Township Parks and Recreation is actively seeking to contract with *Certified Archery Instructors* to lead Beginning and Intermediate Archery classes for the coming 2014 spring, summer, and fall sessions. Additional opportunities to facilitate scout workshops, birthday parties, corporate events, open range shoots and J.O.A.D. Club development if desired. See the *Spring 2014 Archery Program Offerings* on the Parks and Recreation page of Oakland Township's website. [www.oaklandtownship.org](http://www.oaklandtownship.org)

**Compensation:** Instructors are paid \$25 per class hour.

**Certification and Licenses:** Current Level 2 USA Certified Archery Instructor Training or higher. Current USA Archery Club Member eligible for Member Insurance Coverage. Current National Red Cross First Aid and CPR training.

**Experience:** Two years experience in teaching Beginning and/or Intermediate Archery. References for teaching experience required.

Oakland Township's Marsh View Park Archery Range opened in 2010 and after three very successful seasons we are excited to begin our third season this coming spring. The design and construction of our range was funded through our park millage funds and a grant from the Michigan Natural Resources Trust Fund. As the first public archery range in the Township, this community archery park is integral to the development of archery programs across Oakland County. The beginner range caters to children, students, organized groups, and families wishing to practice and develop their archery skills. The range includes 10 universally accessible shooting lanes as well as a universally accessible observation and staging area. The Parks and Recreation Department has acquired archery equipment and targets that will be available for participants to use in Township archery programs.

If you are interested in becoming an Archery Instructor for Oakland Township please send resume, copy of your current certification and three references to:
