I have requested a copy of records or a subscription to records or the opportunity to inspect records, pursuant to the Michigan Freedom of Information Act, Public Act 442 of 1976, MCL 15.231, *et seq.* I understand that the township must respond to this request within five (5) business days after receiving it, and that response may include taking a 10-business day extension. Receipt of Deposit Letter

(Complete both sides)

I understand that the township will send a fee deposit letter after receiving this FOIA request and that the letter is considered received three days after it is sent. The letter will include notice of the date by which the deposit must be received, which is 48 days after the date the deposit letter is sent. If no response is received by the township within 48 days, the township has no duty to fulfill the request and may may destroy previously-requested public records following applicable state and federal retention schedules. Once an FOIA request is abandoned, a new FOIA request is required to obtain any previously-requested public records that have not been destroyed.

I hereby agree and stipulate that should I fail to respond to a deposit fee letter within 48 days after the letter is sent, and I have not filed an appeal of the deposit amount, my request shall be considered abandoned and the township will no longer be required to fulfill the request.

Records Located on Website

If the township directly or indirectly administers or maintains an official internet presence, any public records available to the general public on that internet site at the time the request is made are exempt from any labor charges to redact (*separate exempt information from non-exempt information*).

If the FOIA coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the township must notify the requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost itemization form, the township must separate the requested public records that are available on its website from those that are not available on the website and must inform the requestor of the additional charge to receive copies of the public records that are available on its website.

If the township has included the website address for a record in its written response to the requestor and the requestor thereafter stipulates that the public record be provided to him or her in a paper format or other form, including digital media, the township must provide the public records in the specified format (if the township has the technological capability) but may use a fringe benefit multiplier greater than the 50%, not to exceed the actual costs of providing the information in the specified format.

Request for Copies/Duplication of Records on Township Website

I hereby stipulate that, even if some or all of the records are located on a township website, I am requesting that the township make copies of those records on the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.
